Favorite Place in Holyoke!

Dear Mount Tom,

I loved taking the adventure of hiking to the top of Mount Tom. My favorite part of hiking was seeing all the cool and different types of rocks and all the beauty of the out doors. It was so much fun to climb to the top of the goats peak to see all the different sites. Such as Holyoke & Springfield. It was also fun meeting the college students and visiting all these sites with them. If I ever had the time to go back and visit these sites again I would love to.

- Sincerely,
Myasia B.
